

5 ways to pay your balance

With multiple ways to pay, you can take care of your balance in minutes —from your computer or mobile phone.

Text Message

We'll send you text messages with a secure link to conveniently make a payment right from your phone on any outstanding balance.

Email

Check your inbox for emails from us, including your balance details and links to make quick, secure payments.

Online Self Check-in

As part of the pre-visit online Self Check-In process, you can make a payment on your copy or any outstanding balance.

Patient Portal

Use your Patient Portal to pay your bill anytime. Let us know if you're not registered and we're happy to help get you set up.

Mail

Prefer a hard copy for your files? You can get your statements mailed to you with instructions and options for payment.

Please note that you can confirm and/or control these communication preferences right from your patient portal. Once you log in, go to the drop-down menu under your name and click, "Notification Settings". You can also work with our front desk staff to update these anytime.
